AIPMR Field Visit Report

Name of Field Visit : All India Institute of Physical Medicine and Rehabilitation
Date : 14th and 15th March 2022
Venue : Haji Ali, Mumbai
Name of Coordinator : Dr. Sandhya Wasnik (PT)
Attendees (Participants) : IV BPTTh Students
College Faculty In Charge for Visit : Dr. Isha Tajane (PT)

Objective of the Program : AIPMR is one of the best institutes of rehabilitation in India and is acclaimed globally for its commitment to provide comprehensive medical rehabilitation services. While providing an experiential learning experience to the students, the objectives of this field visit were manifold.

1. To learn more about disability pertaining to its physical, psychological and social aspects;
2. To get detailed insight into rehabilitation team approach for locomotor disability and to understand the role of individual team members including Physiotherapist, Occupational therapist, Speech therapist, Prosthetist, Orthotist, Medical Social Worker, Vocational rehabilitation professional, etc.
3. To get detailed information of orthotic and prosthetic devices; and mobility aids (all varieties for lower limb, upper limb and trunk; all the steps involved in the process of manufacturing of those devices with practical demonstration of donning, doffing and training with some devices)

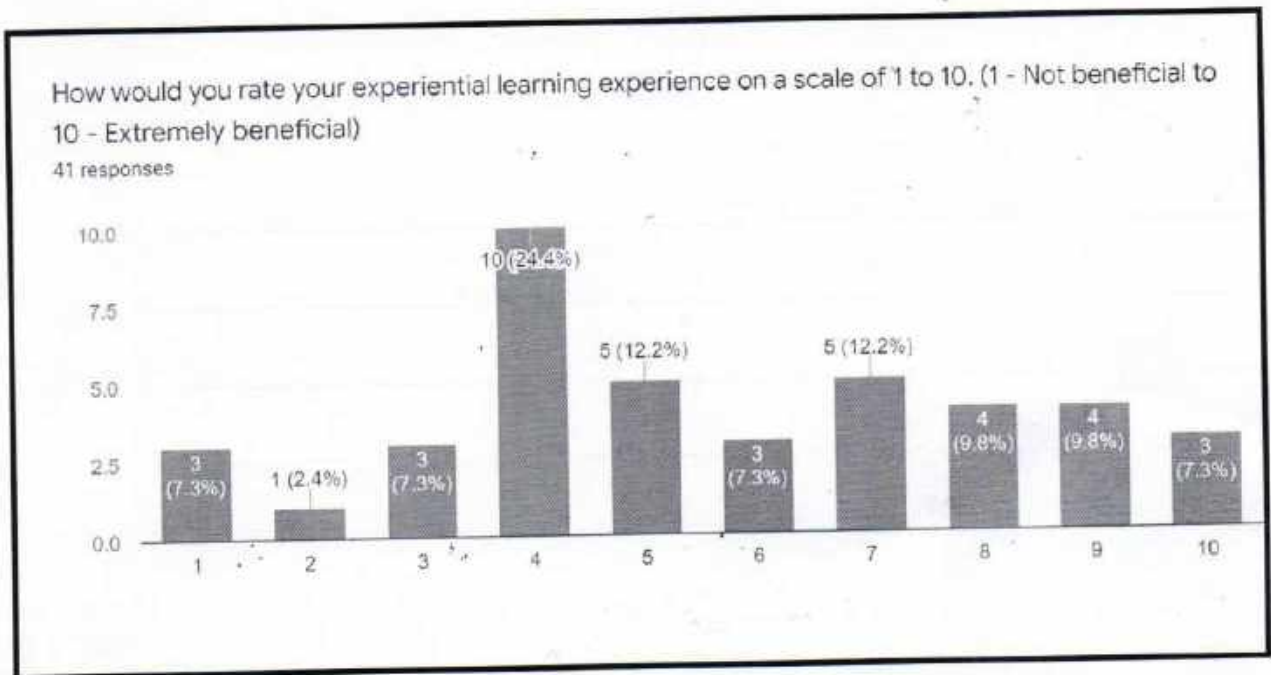

Activity Description : Students visited all the clinical departments of the institute viz. Physiotherapy, Occupational therapy, Prosthesis and Orthosis, Speech therapy, Medical social work, Vocational rehabilitation (including their subsections, total 15 sections). Faculty in charge coordinated with the institute authorities and section incharges; accompanied the students in every subsection and guided the students to learn maximally. Section in charge gave a verbal explanation of the unit, answered all the queries of the students to their satisfaction; and upon request also showed demonstration of some devices. Total — students from IV BPTTh regular batch attended the field visit on two consecutive days viz. 14th and 15th March 2022. The field visit started at 9 am and concluded at 3.30 pm.

Conclusion/Outcome : Students gained detailed insight into rehabilitation of locomotor disability including various assistive devices and technology. This field visit sensitized the students to special needs of the person with locomotor (and with associated) disability; and the importance of rehabilitation team and holistic patient care. Students got to see technologically advanced equipment for patient assessment and treatment as an add on benefit of this visit.

Respected Madam,

May I request you to kindly grant permission to our IV BPTth students for the visit to your institute this year.

We have a total of 81 students in the current academic year (2021-22). We would like to send 40 students per day if it is permitted. In the view of COVID-19, we would still reduce the number of students and send in smaller batches of 20 students for four consecutive days. We would like to propose the following dates for this visit.

28th March, Monday
29th March, Tuesday
30th March, Wednesday
31st March, Thursday

Kindly let us know if these dates are convenient at your end for the visit of our students. One of our faculty members will accompany the students as team leader.

Awaiting for your kind reply.

Thanking you in anticipation.

Best Regards,

Dr. Shweta Manwadkar (PT)

To the concerned authority,

This is in reply to your earlier mail seeking permission for the IV year BPTH students to visit our esteemed institution, I am happy to inform that the management has granted permission for the same subject to 10 students per day to avoid overcrowding.

As per our discussion with Dr Manali, it has been decided to have a zoom lecture on cancer rehabilitation for all the students on 28/03/22 at your convenient time. Also kindly send us the link for the same.

The lecture will be taken by Dr Ajeeta kulkarni, our senior therapist to whom I have marked the mail. Her email id is mentioned above. Her contact number is 9820674888.

The students will visit us in batches of 10 on the following days:

29/03/22, 30/03/22, 31/03/22 and 01/04/22 and 05/04/22, 06/04/22, 07/04/22 and 08/04/22

The students should reach Tata Memorial Hospital, Main Bldg, Physiotherapy Dept, Room No 96, ground floor, Parel, Mumbai at 10 am.

For any queries kindly contact at the numbers given below.

National Career Service Center Field Visit Report

Name of Field Visit : National Career Service Center for Differently Abled

Date : 20/04/2022 to 22/04/2022

Venue : A.T.I. campus Chunabhatti, Mumbai.

Name of Coordinator (of Respective Institute) :

1. Dr. S. K. Kushwaha

Head of Department of National Career Service Center for Differently Abled

Objective of the Program :

1. To sensitize the students about available vocational rehabilitation for differently abled.
2. To sensitize the student about the different schemes available for differently abled persons.
3. To sensitize the student about the role of Physiotherapy in the rehabilitation team.
4. To create awareness about the referral system for differently abled persons to the NCS center.

Attendees : Final Year Physiotherapy Students(2021-2022 Batch)

Activity Description :

1. The visit to National Career Service Center for Differently Abled was planned by fourth year coordinators namely, Dr. Mayur Revadkar and Dr. Manali Yadav.
2. The visit to the National Career Service Center for Differently Abled was scheduled for three days in which hundred students took part in those three days.
3. The visit started with a description of vocational rehabilitation by Dr. Mugdha Joshi and detailed explanation about the National Career Service Center for Differently Abled was explained by vocational trainers Mrs. S. U. Parab and Mr. R. B. Meshram.
4. The National Career Service Center for Differently Abled has four vocational rehabilitation departments namely : Tailoring department, Computer and Office Management Department, Electrical Department and Mechanical Department.
5. Name of the teaching faculty:
 - Mrs. S. U. Parab : Computer and Office Management Department.
 - Mrs. Manorama Upadhyay : Electrical Department.
 - Mrs. Suman Vishwakarma : Tailoring department
 - Mr. Rajesh J. Mukund : Mechanical Department
 - Faculty from each department taught the students of final year physiotherapy how they train the differently abled students and how they discover the talent and interest of each student.
6. The final year physiotherapy students also were explained the criteria of inclusion and exclusion from the National Career Service Center for Differently Abled students, how the vocational rehabilitation program was started and how even the rural population can benefit from the government's schemes.

7. Mrs. S.U Parab from Computer and Office Management Department. also taught the students about from where the disability certificate is generated and how the government has provided the differently abled students with scholarships and monetary help with the education for books, hostel and monthly stipend of Rs 3500/-.
Also, she taught the students about how the central government helps vocational rehabilitation students with a monthly stipend of Rs. 2500/- till they complete the course of one year but with the condition of mandatory 80% attendance. And about how vocational training is an informal training which is beneficial for the differently abled students as they can choose a course which they like as well as the timings for the same.
8. Mrs. S.U Parab also taught the students about the courses offered by Microsoft which include free training in JAVA, C++, Python etc.
9. Mrs. Parab maam and Dr. Kushwaha Sir also emphasized on how the Job fair was conducted on a quarterly basis in the National Career Service Center for Differently Abled for the benefit of the students. As well as how it is mandatory for the differently abled persons to register for the same through the National Career Service Center for Differently Abled.
